Dear Father Sean,

In this challenging year, the support we received from the parishioners of Saint Gregory's was more important than ever. With church closures, some conferences of the Saint Vincent de Paul saw their donations decrease drastically. Our neighbours in need faced new issues including limiting their ability to work or the closure of some of their usual social supports. The perfect storm of lower donations and higher demand for help was just one of the many fallouts of the pandemic. So hearing from Shonna and Dean Masse that with your support they were doing whatever they could to continue the Giving Tree and mailing a request for funds to the parishioners was a wonderful Christmas present! With the donation of \$10,420, we were able to support several conference's Christmas programs and ensure that many families would still be able to celebrate Christmas.

Please pass along our sincere thanks to the parishioners along with our wishes for a blessed Easter season. God bless!
