St. Joseph's
Centre of Hope for Women

OUR MISSION:

At the Centre of Hope, we are dedicated to supporting women facing unplanned pregnancies.

At the Centre of Hope, we are committed to taking the 'crisis' out of an unplanned pregnancy.

WHAT IS A BABY BOTTLE:

Each bottle is ready to receive a gesture of HOPE from you!

It contains information about the campaign and how to collect donations—coins, cash, or cheques. The bottles will be collected within four weeks.

YOUR PARISH OPENED THE DOOR TO US

On May 31st, the Baby Bottle Campaign will launch at your parish.

Every contribution brings us one step closer to our goal—offering HOPE and life-affirming support to mothers facing challenging circumstances as they choose LIFE.

Your support helps us provide essential baby items, gear, small furniture, and—most importantly—a real chance for a family to begin!

2238 Dundas Street West, P.O. Box 59016, Toronto, ON M6R 3B5

In Canada, 300 children are killed every day by abortion. Since its legalization in 2016, 45,000 people have lost their lives to euthanasia. Furthermore, countless people are hurting because of abortion and assisted suicide, creating a more wounded culture.

At Toronto Right to Life, we envision a country where the intrinsic dignity of every human life is valued and the human rights of all human beings are protected. We are a human rights organization that aims to change the country by reaching and transforming Toronto and the GTA. We educate schools, churches and community groups on abortion and assisted suicide, to change hearts and minds, and save lives by providing scientific evidence and research, and learning from past successful social reformers.

Toronto Right to Life exists to make abortion and assisted suicide unthinkable in our nation's largest city. We educate and equip Canadians to peacefully and effectively share the truth about abortion and assisted suicide in their communities with love and compassion. We invite you to join us today to help end the killing.
