## Toronto March for Life

The Toronto March for Life will be taking place on **Saturday May 23** this year. This free event is open to all ages and will consist of a peaceful gathering, a walk of solidarity throughout the streets of Downtown Toronto concluding with a series of workshops.

The March is an excellent opportunity to discover different ways that you can get involved locally as well as meet the men and women working on the front lines of Canada's pro-life movement.

Canada is one of very few countries in the world with absolutely no law on abortion whatsoever. With 300 pre-born children being killed every day, it is essential that we change hearts and minds in order to save lives.

This year's featured guest speaker **Alissa Golob** will be sharing her experience of going undercover to expose the practice of late-term abortion across Canada.

The Early Bird deadline for the workshops closes on Friday April 23, 2026. Please remember to share this information as well as invite your family and friends.

**Proverbs 24: 11-12 asks, "Did you fail to rescue those who were being dragged off to death, those tottering, those near death, because you said, 'We didn't know about it?'"**

The prayer service has been written and prepared by the women of Nigeria.
